武道狂之詩
Chapter 70
Luling Hui (part 2)

THEY HAVE SWORDS. THEY DON'T SEEM LIKE BANDITS.

YOU EVEN REMOVED THE SIGN HUNG UP THERE...

...WHO LET THOSE GUYS DOWN?
WERE YOU THE ONES...

...DON'T SAY THAT YOU DIDN'T KNOW.

DIDN'T YOUR MOTHER EVER TEACH YOU NOT TO MESS WITH OTHER PEOPLE'S THINGS?

IT WAS ME.
HEHE... SO THAT'S HOW IT IS...
YOU'RE A MAN OF PRINCIPLE.
ALL I KNOW IS THAT EVERYONE'S LIFE IS THEIR OWN.
FINE, I'LL TELL YOU WHAT KIND OF PEOPLE THOSE GUYS HANGING UP THERE WERE.
THEY WERE THE "HEROIC GANNAN SEVEN." THAT ONE'S A BAGUA SECT DISCIPLE, THE OTHER ONE'S FROM SOME EAGLE TALON SECT.
WHEN THEY FIRST CAME ALONG, THEY WERE SPOUTING THE SAME BULLSHIT AS YOU.
AS A RESULT...
...WE HACKED FIVE OF THEM UP, TO FEED THE DOGS.

WE HUNG THE OTHER TWO HERE TO REMIND THE PEOPLE OF LULING THAT YOU CAN'T COUNT ON...
...THERE BEING ANYTHING LIKE HEROES IN THIS WORLD.
However despicable really they were, they would at least wear the guise of a decent human being in public, but the bunch before them didn't even try to hide their evil intention
Among all the treacherous people they encountered thus far, Cai father and son from the Mapai Group, the rat Yan Qingtong...
Who are these people?
They just ride into this county in the dozens, with their swords out in the open, and there not an official in sight to stop them?
They can just slaughter their enemies and string them up... and nobody dares touch them?
And those seemingly living dead... are they connected too?
Were those "zombies" mistaking us for these guys?

FROM THE LOOKS OF YOU, YOU GUYS MUST BE MEN FOR HIRE.
WHAT ROTTEN LUCK...
HN, THEY'RE JUST ABOUT BACK...

I'M SURE YOU WANT TO ASK "WHY?"
IT'S REAL SIMPLE.
IT'S BECAUSE THEY FED YOU.
IS THAT EVEN HUMAN?
JUST FOR THAT? YOU'D TAKE THEIR LIVES?
THE MORE SOMEONE HATES ME,
...THE MORE REWARDING IT IS TO SQUASH THEM BENEATH MY FEET AFTER-WARDS.

WHEN GOD STRIKES A MAN DOWN WITH LIGHTNING, HE NEVER EXPLAINS HIMSELF.
I'VE BEEN VERY CHARITABLE.
AT THE VERY LEAST, I EXPLAINED WHY YOU CAME ALL THE WAY HERE TO MEET DEATH!
TALKING THIS MUCH WITH YOU.
AREN'T I MUCH MORE BENEVOLENT THAN GOD?
REMEMBER THIS NAME.

WUDANG'S "BOLONGS HU WANG" DISCIPLES.
WHEN YOU'RE IN HELL, YOU'LL FIND YOUR FRIENDS EASIER THAT WAY.

At that moment Yan Heng understood how the restaurant owner could have felt such overpowering

FAST!
Is it the "Wudang Traveling Sword"?

To think his techniques would be so fast I almost died!
And I just figured he was someone looking to die...

Their strikes are so fierce!
Can it be.. Are all these people really.. Wudang disciples?

The imposing manner in which Yan Heng suppressed his opponent was quite similar to that of He Zisheng, when he faced Ye Chenyuan, wielding the "Female Male Dragon Tiger Sword"
Actually, putting aside the strength of his blade, his movement and speed are completely ordinary...
Hold on..

This is a completely different from when I'm training with Yan Heng, Brother Jing, and Sister Lan!
This was the first time that Tong Jing was able to easily overpower her opponent. This half year's training had finally borne fruit

Tong Jing's sword moved faster and smoother. She saw that with just two or three more strikes, she'd have him at her mercy

DODGE!

EVERY-ONE ATTACK!
To think they'd be so skilled!
Why would they show up here?

The hidden weapons the Bolongshu Wang disciples used were not projectiles. They were thrown by hand, but the weapons were shot out using a hidden device. So there were no throwing motions to look out for, which made it all the more stealthy and difficult to avoid!
YAN HENG, BE CAREFUL OF HIDDEN WEAPONS!
We've exchanged seven or eight strikes now. He's used the "Wudang Power Sword" every time.
Then he uses the "Traveling Sword's" footwork to dodge my follow up. These aren't proper tactics.
Is he trying to drag this out until his buddies back him up?

The alternating of left and right attacks Yan Heng had learned came in hand.

But then, something unexpected happened
Though the potential power of the "Dragon" was great, his stabs only exhibited half his usual speed and strength!

Yan Heng finally understood...why, every time they exchanged strikes, there would always be a mist of powder dispersed from the enemy's sword
It's poison!

His goal was to release the powder on his sword into the air around them, and have Yan Heng unknowingly inhale it!
That was Bai Lian'nan's strategy...He would continuously cross swords with Yan Heng, using the broad strokes of the "Wudang Power Sword."

What Bai Lian'nan used was not poison, but a drug secretly produced by Bolongshu Wang called "Fang Xian San."*
After taking the drug, it affected the user's heart rate and breathing, also causing all sorts of hallucinations. Though Yan Heng didn't inhale much, it was enough to cause difficulty in breathing, making him lightheaded.
In contrast, Bai Lian'nan was a regular user. With a few inhalations of the drug, a look of exhilaration came to his eyes.
*T/N: FANG XIAN = IMITATING GOD, SAN = SCATTER (AS IN POWDER, FLOWER PETALS, HAIR, ETC.)
The strength behind Yan Heng's strikes made for poor defense.
A chance!

铮

Yan Heng hurriedly held his breath to prevent inhaling more poison. But by obstructing his breathing, his swordwork became even more sluggish, not to mention his retaliation
As they fought on, the situation became more dire

Wudang Traveling Sword
YOU KEEP ON FIGHTING ME WHILE HOLDING YOUR BREATH!
WE'LL SEE HOW LONG YOU CAN LAST.
